Invitation to the First IAACA Seminar on Anti-Corruption

Your Excellency,

On behalf the Supreme People's Procuratorate, I present my best wishes to you in 2007. I am writing to invite you to bring 1-2 assistants to participate at the First IAACA Seminar on Anti-Corruption in June China.

The IAACA has received lots of attention and support in international community since its establishment. On 10-15 December, upon the invitation of the UNODC, the IAACA sent its delegation to participate in the First Session of Conference of State Parties to the UNCAC, held in Dead Sea, Jordan. During the plenary sessions of the Conference, the IAACA and its successful 1st Annual Conference had been complimented by delegates from over 20 countries in their official statements. Mr. Antonio Maria Costa, the Executive Director of the UNODC, also acknowledged the contribution of the IAACA in the course of international cooperation against corruption. Besides, the IAACA and UNODC cooperatively organized a Forum for Anti-Corruption Authorities as a side event during the Conference. The enthusiasm of the participants from various regions was beyond our expectation.

The success of the IAACA in the last year has encouraged us to accomplish greater achievement in Year 2007. For that goal, your positive participation would be indispensable.

As an effort to promote technical assistance and information exchange, the First IAACA Seminar on Anti-Corruption is also an important event of the IAACA, scheduled to be held in China on June 17-26 (five days in Mainland China, and the rest in Hong Kong and Macao). About 20 experienced anti-corruption experts will be invited to give lectures to 100 participants. 50 of the participants are national and provincial Director

Generals of Anti-Corruption Bureaus of SPP; the others will be overseas participants from various anti-corruption authorities. The Preliminary Programme of the Seminar is attached for your reference.

The SPP will bear your accommodation and transportation in China. Thank you very much for your support.

I am looking forward to your positive response and sincerely welcome any suggestion on the seminar.

With the highest regards

Yours sincerely
