7. Financial contribution of the partner organisation¹ to the project:

- no

¹ This financial contribution will cover part of the "direct eligible costs" accepted in the grant agreement of the project.

If your contribution comprises staff costs, these have to be calculated on the basis of the actual salary of the personnel involved taking into account the actual time "days/weeks" that will be devoted to this action. Please note that staff costs concerning officials of public authorities cannot be considered as a "direct eligible cost" and cannot be financed by the grant agreement. In this case salaries can only be considered as "contribution in kind" and should be mentioned under point 5 of this declaration.

8 I, the undersigned, declare that I have read the entire project contained in this application, discussed it with the applicant organisation and given my agreement to it.

9 I, the undersigned, further undertake on behalf of the partner organisation to contribute the amounts specified above to the project (where applicable).
